

Who will Buy?

1.

You have to buy presents for your family. Where might you go to buy:

A present for your brother aged 12

Something for your Dad

Your grandma who has been poorly

2.

Your family are thinking that there might be better opportunities in a new country. Who might they go to help them emigrate? (Emigrate means to go to another country)

3.

Change the old money into decimal money. (12 pennies in one shilling. 20 shillings in one pound). What would be the price of these pieces of furniture in money we use today?

The shops make their own furniture. How different is that from today?

What words would you use to describe the furniture? (simple, decorated?)
